Proposals of courses addressed to doctoral students (2024-25)

1. Call: May

2. Deliberation: June

The 4 Minute Thesis competition

Doctoral students from URL programs will participate in the competition, with the challenge of explaining their research to a general audience in a maximum of **4 minutes**, using simple and easily understandable language.

The winning contestant will represent the University in the interuniversity competition 'Present your thesis in 4 minutes,' organized by the Catalan Foundation for Research and Innovation.

Thank you
